Other Business Activities

In addition to offering investment advisory services as an Investment Advisor Representative ("IAR") of TFA (a Registered Investment Adviser), Gregory Sheets is a Registered Representative of TFA's Broker/Dealer and may be an independent insurance agent who is appointed by numerous insurance companies. As a Registered Representative of TFA, IAR may recommend transactions in securities products such as mutual funds, variable annuities, and variable universal life. When clients purchase or sell securities through TFA, the Representative may be paid a commission. As an independent insurance agent, IAR may recommend fixed insurance contracts to clients such as fixed annuities or life insurance. When clients purchase fixed insurance contracts at the IAR's recommendation, a commission may be paid.

IAR receives commissions, bonuses, distribution or service ("trail") fees, and other compensation based on the sale of securities (including mutual funds and insurance products) and other investment products. IAR may also receive incentive-based, non-cash compensation in connection with attendance at conferences, seminars, sales or training programs, and other trips (such as reimbursement for travel, lodging and meal expenses) and/or in the form of

entertainment, merchandise and other benefits. Such payments and benefits may provide IAR the incentive to recommend certain products based on the compensation received, rather than on the client's needs.

A conflict of interest may exist between IAR and clients related to the compensation received for advisory services offered as an Investment Advisor Representative and the compensation received for services offered as a Registered Representative of TFA and an independent insurance agent.

IAR is involved with financial services and is associated with World Financial Group as a Senior Marketing Director. In this capacity, he is responsible for generating new clients, servicing existing clients, and recruiting and training new agents.
